I am home in Heaven, dear ones:
Oh, so happy and so bright!
There is perfect joy and beauty
In this everlasting light.

All the pain and grief is over,
Every restless tossing passed:
I am now at peace forever,
Safely home in Heaven at last.

Dear Partner,

On behalf of the U.S. Census Bureau, I thank you for partnering with us to achieve a complete and accurate census count in 2010. Conducting the decennial census is a massive and vitally important undertaking—one which the Census Bureau could only accomplish with the help and support of partners like you. We appreciate the time and resources your organization dedicated in helping to ensure a successful 2010 Census.

Your commitment to motivate the public to complete and return the census form will have a lasting impact. As a census partner, you can take pride in knowing that your organization helped ensure that the communities you serve are accurately represented in Congress and eligible for the funding needed for important community programs, services and facilities. The 2010 Census data will help your organization, community and government make strategically and fiscally sound decisions to spur and sustain economic development and growth, and improve the quality of life in every neighborhood.

Thank you again for your contributions to the 2010 Census effort. We value your partnership and look forward to continued opportunities to work together in the future.

Sincerely,

Kathleen N. Ludgate, Regional Director
U.S. Census Bureau, Boston Region
